## Family of Tomato Brands

Dear Store Manager or Buyer,

My family and I would be grateful if your store would carry Red Gold brands. We are especially interested in purchasing \_\_\_\_\_ (brand, product & size).

The Red Gold company mission is “To Produce the Freshest, Best Tasting Tomato Products in the World” and in addition to being the best-tasting canned tomato products, Red Gold brands are NON-GMO Project Verified, use Non-BPA/BPS lined cans, contain no artificial colors, flavors, or preservatives, are Certified Kosher, Vegan, Gluten Free, Cholesterol & Fat Free, Allergen Free, American Owned, Grown, and Made and 100% Delicious! This company is involved in the national sodium reduction initiative, and is leading the Clean Label Movement.

We like the fact that Red Gold is a 4<sup>th</sup> generation family-owned company since 1942 and grows their tomatoes in the Midwest (Indiana, Michigan, and Ohio). Their tomatoes are the highest quality, along with being healthy and nutritious. The Red Gold Family Brands boast a full line of tomato products that we would purchase at your store.

To request information on their products, please email [info@redgold.com](mailto:info@redgold.com) or call (866) 729-7187.

Thank you for considering my request.
